COMMUNITY SPACES

A large, open, flexible space for a variety of activities and group sizes, a community space may offer access to technology, refreshments, and comfortable furnishings.

Flexible furniture accommodates different types of collaboration, including activities that inform and connect.

COMMUNITY SPACES

COMMUNITY SPACES

CAFÉ

A multipurpose social hub with access to refreshments, the café encourages interaction and relaxation. It also provides opportunities for informal conversations among cross-functional teams.

QUIET SPACES

A quiet haven that enables tranquility, rejuvenation, and collaborative work, a retreat empowers choice and fosters well-being.

These retreat and focus spaces also provide opportunities for spontaneous interaction or continuing conversation after a meeting.

QUIET SPACES

WALLS

Moveable walls give people the ability for simple reconfiguration, providing a space they need to be effective, which typically increases employee engagement and satisfaction.

WALLS

OUTDOOR

Areas outside the built environment that connect people to nature foster well-being through inspiration from the world beyond windows and walls.

Outdoor spaces also provide alternative places for groups to restore and connect.

OUTDOOR

ACOUSTICAL

All five senses impact the way we experience work. Acoustical products help to promote focus and privacy while removing distractions that might otherwise prohibit productivity and effective collaboration.

COVID-19

Solutions, suggestions and resources to navigate the COVID-19 impact on people and space. AOI is here to help.
