EASTEK

EASTEK INTERNATIONAL CORPORATION

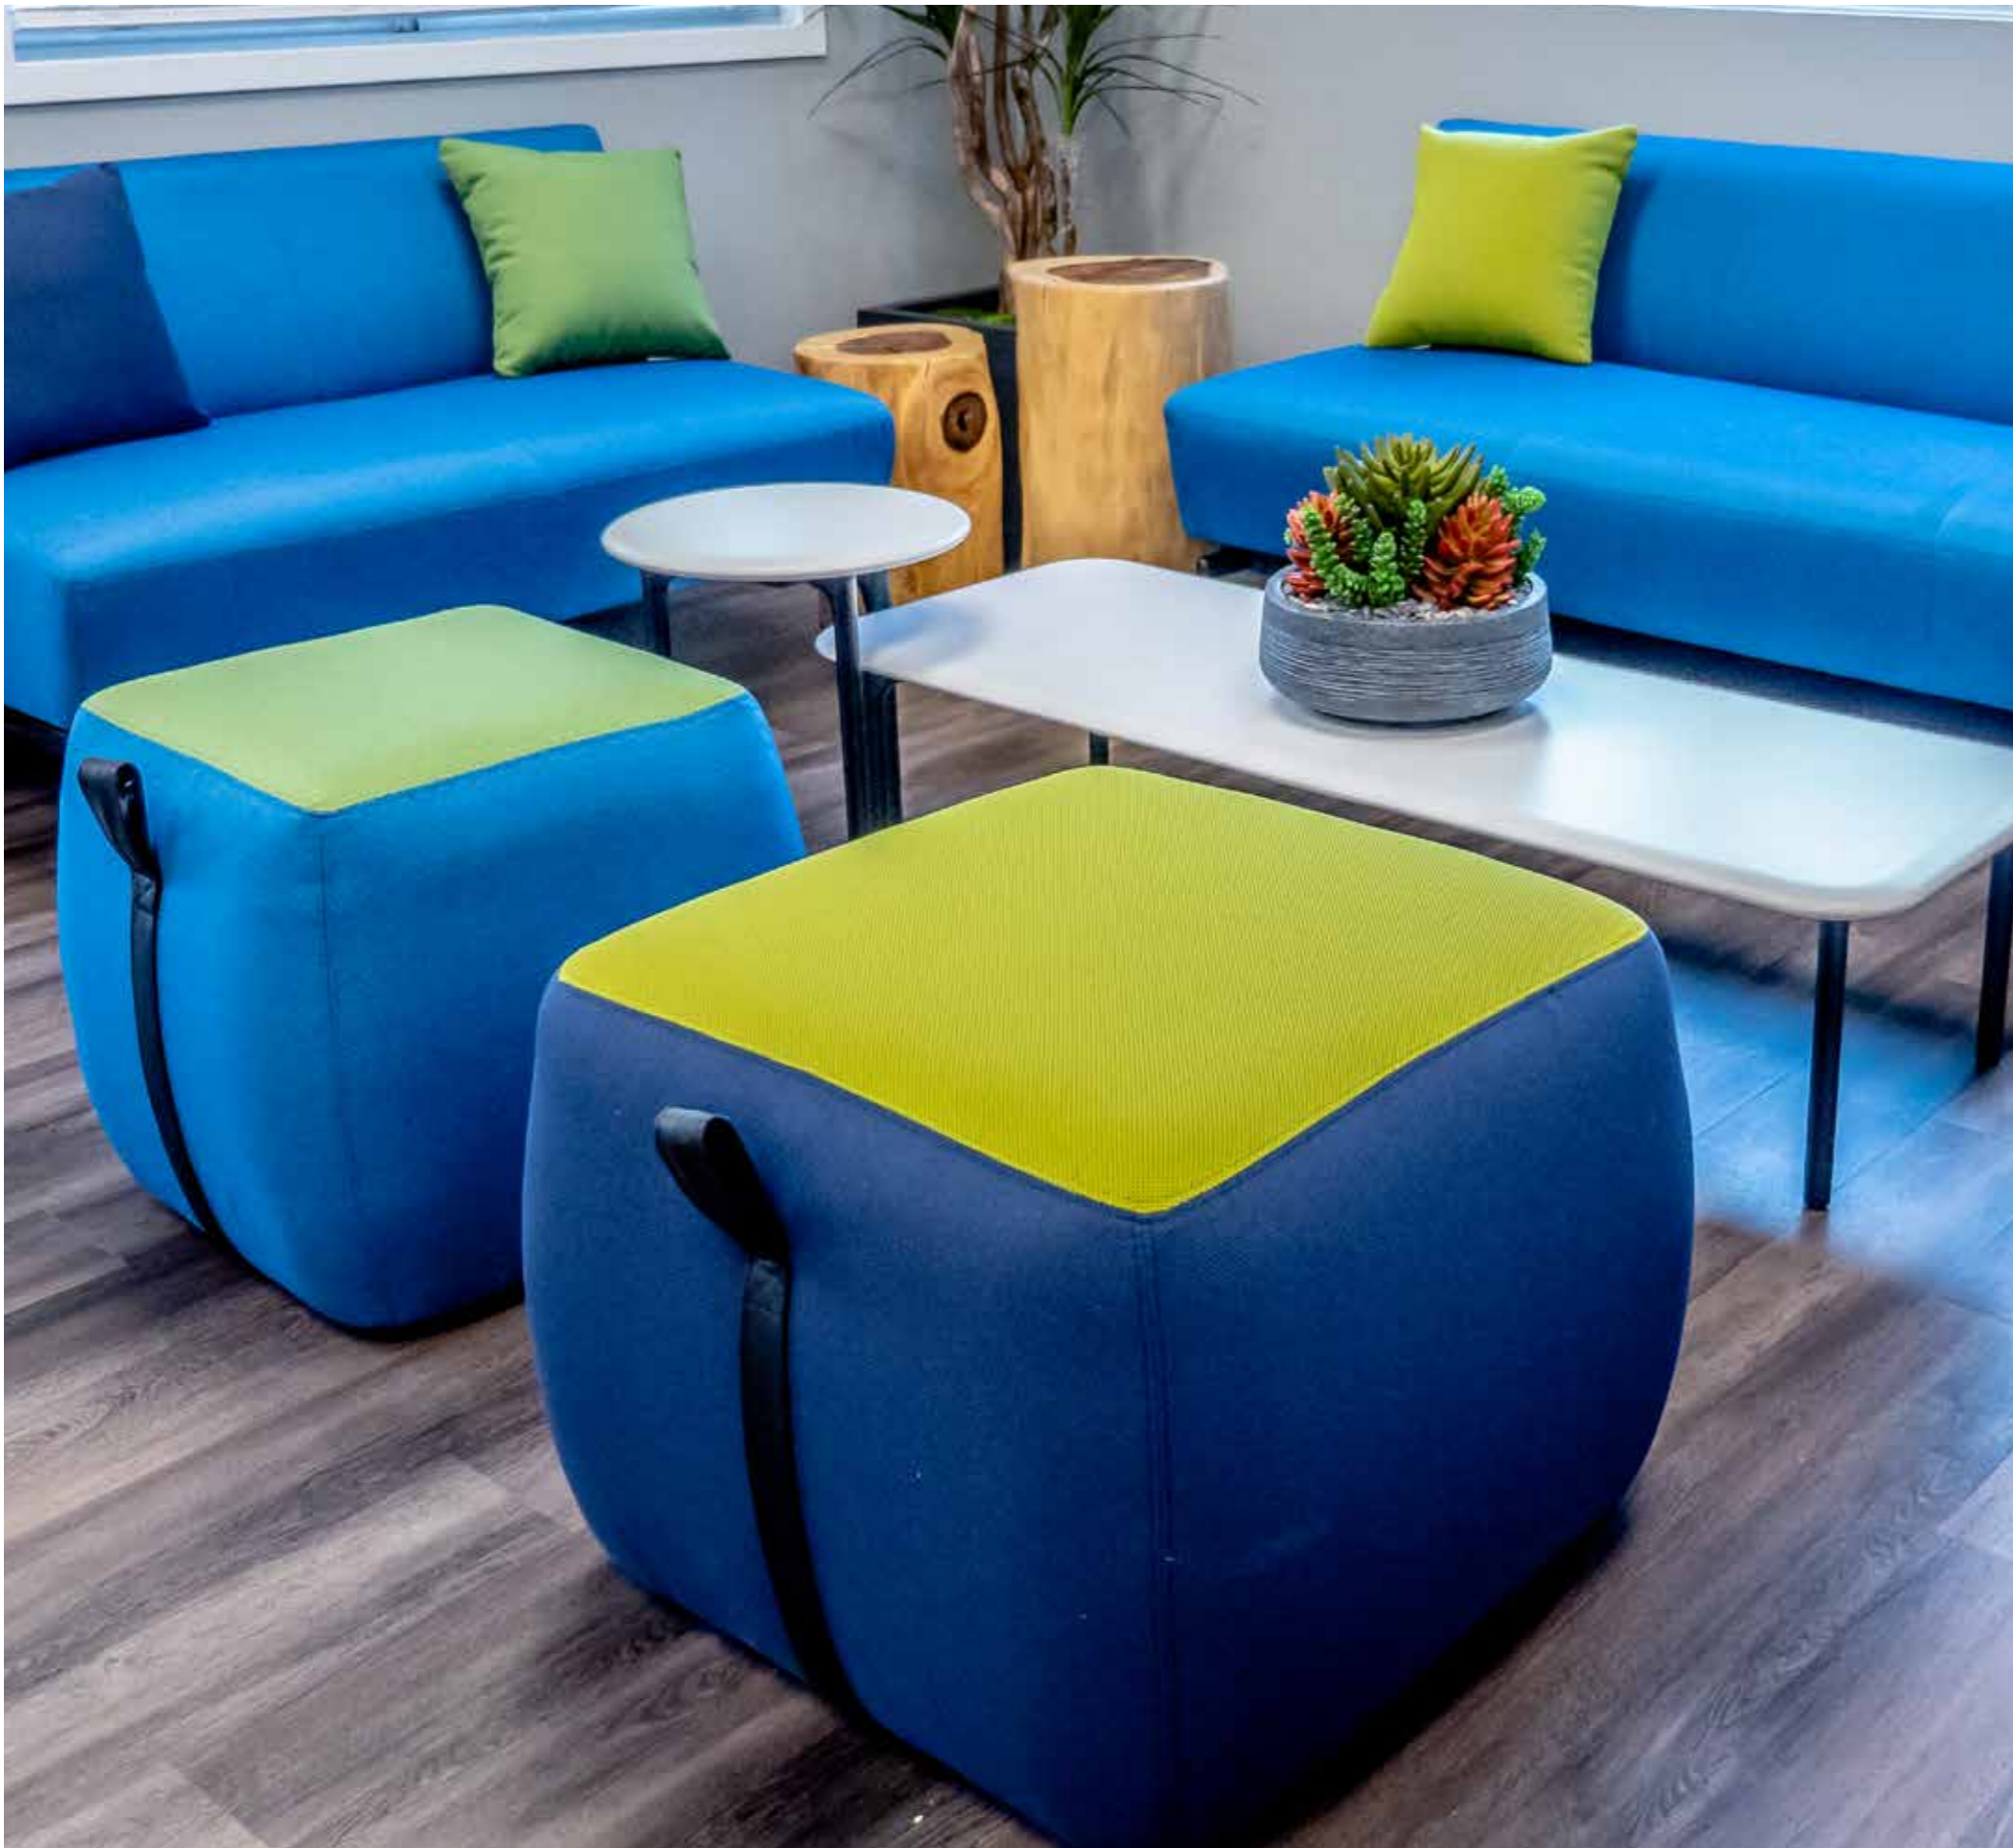

FEATURED WORKSPACE

PROJECT OVERVIEW

The client came to BOS/AOI looking for some assistance upgrading their current space. They had many ideas but asked BOS/AOI to help them organize them to create a space that helps bring them into 2022. With the open canvas and the collaboration with a fantastic client, we came up with an amazing and unique design. One of the special features of this space is the BOHO theme in the reception area we could also apply to the Private Offices.

We created multiple spaces with the Eastek brand and family in mind utilizing AIS and Haworth as leading manufacturers. This gave the client the ability to create new private offices using our demountable wall system, hoteling for anyone that needs it, and one-of-a-kind space for their frontline workers.
